## Time to set a goal - an action step to move you toward your ultimate goal

	you toward your ditimate goal
	1. What is your goal? Be specific – what? when? who? why? where?
	2. How will you measure your success?
1	
$\mathcal{D}$	
	3. Is your goal realistic? List your action steps.
SETTIN	
	4. What is your timeline? Is this a one day goal? One week?
